

ENERGY TECH CRANE PVT. LTD.

Engineering Serious Lifting Since 2016

Who We Are

Energy Tech Crane Pvt. Ltd. is an ISO 9001:2015 certified manufacturer of EOT, Gantry, Goliath, Semi Goliath and Circular cranes, along with wire rope hoists, chain hoists, crab units and end carriages, engineered and built at our own works in Ahmedabad, Gujarat. Every crane we design is built to IS:3177, IS:4137 and FEM 1.001 and load-tested at 125% of Safe Working Load before it leaves our factory.

At A Glance
